Missing Persons

Missing person networks - Databases or computer networks that are available to law enforcement and are suitable for obtaining information related to missing person investigations. This includes the National Crime Information Center (NCIC), the New York State Division of Criminal Justice Services (DCJS), New York eJusticeNY Integrated Justice Portal and the New York State Missing Person Clearinghouse (MPC).

Missing vulnerable adult - A person 18 years or older who is missing and has a cognitive impairment, mental disability or brain disorder, and is believed to be at a credible risk of harm (Executive Law § 837-f-1).

315.2 POLICY

The Greenwood Lake Police Department does not consider any report of a missing person to be routine and assumes that the missing person is in need of immediate assistance until an investigation reveals otherwise. Priority shall be given to missing person cases over property-related cases. Members will initiate an investigation into all reports of missing persons, regardless of the length of time the person has been missing (Executive Law § 838).

315.3 REQUIRED FORMS AND BIOLOGICAL SAMPLE COLLECTION KITS

The Detective supervisor shall ensure the following forms and kits are developed and available:

- Missing person report forms, including those developed by DCJS
- Missing person investigation checklist that provides investigation guidelines and resources that could be helpful in the early hours of a missing person investigation
- Missing person school notification form
- Medical and dental records release forms
- Biological sample collection kits

315.4 ACCEPTANCE OF REPORTS

Any member encountering an individual who wishes to report a missing person or runaway shall render assistance without delay. This can be accomplished by accepting the report via telephone or in-person and initiating the investigation. Those members who do not take such reports or who are unable to give immediate assistance shall promptly dispatch or alert a member who can take the report.

A report shall be accepted in all cases and regardless of where the person was last seen, where the person resides or any question of jurisdiction.

315.5 INITIAL INVESTIGATION

Officers or other members conducting the initial investigation of a missing person should take the following investigative actions, as applicable:

- (a) Respond to a dispatched call as soon as practicable.

- (c) Notify a supervisor immediately if there is evidence that a missing person is either at risk or may qualify for a public alert, or both (see the Public Alerts Policy).
- (d) Broadcast an alert if the person is under 21 years of age or there is evidence that the missing person is at risk (see the Public Alerts Policy). The alert should be broadcast as soon as practicable but in no event more than one hour after determining the missing person is under 21 years of age or may be at risk (Executive Law § 221).

- (h) When circumstances permit and if appropriate, attempt to determine the missing person's location through their telecommunications carrier.

If the information relates to an at-risk missing person, the member should notify a supervisor and proceed with reasonable steps to locate the missing person.
