

**VILLAGE of GREENWOOD LAKE
BOARD MEETING
WEDNESDAY, FEBRUARY 11, 2026
VILLAGE OF GREENWOOD LAKE
PO BOX 7, 18 CHURCH STREET
GREENWOOD LAKE, NY 10925**

Mayor Thomas Howley called to order the Village Board Meeting at 6:05 pm on February 11, 2026, for the Village of Greenwood Lake located at 18 Church Street in Greenwood Lake, NY.

The following persons were present:

- Mayor Thomas Howley
- Trustee Thais Pilieri
- Trustee Matthew Veth
- Trustee John Trazino
- Trustee Chad Sellier
- Attorney Brian Nugent

MAYOR'S REPORT/ANNOUNCEMENTS

- Mayor Howley began the meeting by acknowledging the passing of former Deputy Mayor Kelli Kelm after a long battle with cancer. He noted her more than 15 years of dedicated service to the village in various capacities and described her as a deeply committed, caring, and valued member of the community. The mayor reflected on their years serving together and extended thoughts and prayers to her family.
- Mayor Howley also announced the passing of lifelong Greenwood Lake resident Edwina Sayer. Ms. Sayer was born in the village, worked at the local post office, and volunteered for many years with the Greenwood Lake Ambulance Corps. The mayor recognized her long life of service to the community and extended condolences to the Sayer family.

- Orange County Clerk, Kelly A. Eskew, announces all Orange County DMV's will be temporarily closed for the new State licensing modernization program.
- Hava Arifi – email to Chief Adam Eirand complementing Sergeant Gayler

Mayor Howley commented that during a recent period of extreme cold and temporary power outages, a woman came to the Senior Center seeking relief. While the Center is designated as a warming station, it is not equipped to function as a shelter. Upon further review, it was determined that the woman was experiencing homelessness and was not a Greenwood Lake resident.

The matter was referred to the Police Department. Sergeant Leanne Gayler responded, met with the woman, and coordinated assistance through the Department of Social Services to secure temporary hotel accommodations in Middletown. The woman later submitted a letter expressing her gratitude to the Police Department for their kindness and support.

Although the woman was subsequently unable to obtain additional services and has not recently been seen in the village, the mayor commended Sergeant Galer for going above and beyond her duties to ensure the woman was placed in a safe, warm location and thanked her for her efforts.

VISITING OFFICIAL REPORTS:

None.

REPORTS OF BOARDS AND DEPARTMENT HEADS

DPW (reported by Bill Roe)

DPW Superintendent Bill Roe reported a busy month due to multiple snow events. The department was out seven times, including three weekends and the previous evening, and has completed snow removal and cleanup on Main Street and throughout the village. Mr. Roe noted that during significant snowstorms, some fences and mailboxes were damaged due to limited space for snow placement. Repairs will be addressed in the spring, and residents are asked to notify Village Hall so damaged properties can be added to the repair list. He also mentioned that additional snowfall may temporarily add to existing damage until conditions allow for permanent repairs.

Mayor Howley stated that the few residents who have reported damage have been understanding and are aware that repairs cannot be made immediately but appreciate being placed on the list. The mayor thanked the DPW for their responsiveness to cleanup requests, noting that residents frequently express appreciation for the department's quick follow-up and efforts to keep intersections clear and roadways open. He also thanked DPW for taking care of the funeral home property and Oak Street in anticipation of Kellianne Kelm's wake.

PARKS DEPARTMENT (reported by Brendan Kolesar)

Parks Department Supervisor Brendan Kolesar reported that staff have been actively engaged in garbage collection, snow plowing, and extensive salting operations throughout the month. Crews have also been relocating and stacking snow following storms to create additional space. Additional responsibilities included cleaning trucks after storms, maintaining and servicing equipment to ensure proper operation, and fueling and maintaining the temporary heat system at the water plant.

Mayor Howley thanked Mr. Kolesar for his work over three consecutive weekends and noted hopes for moderating temperatures to allow for gradual snow melt rather than rapid melting and potential flooding.

POLICE DEPARTMENT (reported by Chief Adam Eirand)

January 2026

Department Statistics –

Handled 715 blotter reports, conducted 131 traffic stops, issued 114 traffic summonses, handled 3 motor vehicle accidents, responded to 25 check welfare/assist citizens along with 15 medical/aided calls and 12 arrests were executed. Our average response time for all calls of service this month was two minutes.

Personnel Changes / FTO Completions –

Two new hires:

- Requesting approval for two new part time police hires; Abram Steinfeldt and Giancarlo DiLorenzo. Abram comes to us with approximately four (4) years' experience as an Ulster County Sheriff and Giancarlo just recently graduated the Rockland County Police Academy. We are excited for both of these gentlemen to join our team.
- As a reminder, we are always seeking part time police officers, and we are continually hiring when candidates are a good fit for our department and community. If interested please contact our police department @ 845-477-9211.

Public Correspondences –

- As a reminder, it's essential to prioritize safety while enjoying winter activities. As the lake freezes over, please exercise caution around the water.
- Stay off any ice that appears thin or has cracks, keep a close eye on children near the lake, even if they aren't yours, monitor our local weather updates and consider the safety and enjoyment of those around you.
- If you see someone being reckless or unsafe, please call our police department at 845-477-9211 to report it. While we encourage everyone to enjoy winter activities, let's do so safely and respectfully. Stay warm and have fun.

- As always, we want to thank the village board and community members for their unwavering support through the years.

WATER PROJECT REPORT

JAN/FEB 2026

- Conducted daily, weekly, monthly and quarterly sampling and testing. Along with providing utility mark outs for necessary excavations.
- Had to repair necessary freezing/busted lines in water plant due to extreme cold in spite of temporary heat for necessary plumbing and equipment.
- Took scheduled chemical deliveries.
- Had to increase flow and production and make necessary chemical adjustments in order to account for assumed likelihood of residents keeping water running to prevent freezing. The village is using a significant amount of water for this time of year.
- Had, and are continuing to have numerous shut-offs, repairs and meter replacements due to frozen/busted service lines, plumbing and meters.
- Still waiting on the DOH to finish final round of comments on Delaware Engineering's new treatment facility design plans so the village can begin breaking ground on the actual building phase of the capital improvement project.
- The Water Department would like to thank the Warwick DPW for their assistance with a water main break on Northside Lane. And a service line leak repair on Oak Street.
- And the Department will soon be out reading water meters for the next billing cycle.

COMMISSION REPORTS

Trustee Trazino:

Trustee Trazino reported on monthly activity from the Police Department. Officers handled 715 blotter reports, conducted 131 traffic stops, issued 114 traffic summonses, responded to three motor vehicle accidents, completed 25 welfare checks, assisted with 15 medical calls and 80 additional calls, and executed 12 arrests. The department's average response time for the month was two minutes.

The Police Department is requesting approval to hire two part-time officers: Abram Steinfeld, who brings approximately four years of experience with the Ulster County Sheriff's Office, and Giancarlo DiLorenzo, a recent graduate of the Rockland County Police Academy. The department continues to seek qualified part-time candidates.

A winter safety reminder was issued encouraging residents to use caution around frozen lake areas, supervise children, monitor weather conditions, and report unsafe behavior to the Police Department.

The Greenwood Lake Ambulance Corps reported 608 calls for the year 2025, an increase of 78 calls over 2024. The Corps also thanked residents who donated blood at the January 10 drive. No issues were reported. The Fire Department will provide monthly statistics at the next meeting and reported no current issues.

Trustee Trazino also thanked volunteers who have been maintaining the ice rinks near the village gazebo, specifically acknowledging Pat Bernard and Rich Brennan for their leadership. Residents were asked to avoid driving UTVs, snowmobiles, or drilling holes in the rink areas to help keep them safe for community use, particularly for children.

Trustee Pilieri:

Greenwood Lake Senior Center

This evening, the Board will be voting on a resolution to enter into an agreement with Orange County for vendor services related to the Senior Dining Program. This agreement will ensure that our senior residents continue to have access to nutritious meals in a setting that promotes socialization and community engagement.

The Senior Center continues to serve approximately 25 to 35 seniors daily. Participation remains strong, and the Center continues to offer a range of recreational, physical, and cultural programming that provides meaningful enrichment and connection for our senior community.

I would like to extend my sincere appreciation to Director Colleen Reilly for her dedication and consistent commitment to our seniors.

As a reminder, the Senior Center follows the Greenwood Lake School District for weather-related closings. In the event of a two-hour school delay, the Center opens at 10:30 a.m., and if schools are closed, the Center will also be closed. Monthly calendars are available at the Center and posted on the GWL Seniors Facebook page.

I would also encourage residents, particularly during the winter months, to check in on senior neighbors. Small acts of outreach and assistance can make a meaningful difference.

Greenwood Lake Public Library

The library continues to offer its free Tax-Aide program through AARP. Residents are encouraged to schedule an appointment in advance.

The Greenwood Lake Public Library currently has an open position for Library Manager. Interested candidates should visit the library's website for additional information regarding qualifications and the application process.

The Library's Works of Art Gallery continues to invite local artists and photographers to submit work for exhibition in 2026.

The next meeting of the Library Board will be held on Tuesday, February 24, 2026, at 7:00 p.m. at the library.

Greenwood Lake School District

The district will be closed on Monday, February 16, in observance of Presidents Day, which will also mark the beginning of mid-winter recess for that week.

A Budget Workshop is scheduled for February 23 at 6:00 p.m. at the Middle School.

Chamber of Commerce

The January 28 Cabin Fever Mixer was a success, bringing local businesses together and fostering valuable connections within our community.

The Chamber's next mixer, the Spring Mixer, is scheduled for March 13. Additional details will be shared as they become available.

On March 18 the Chamber will be hosting a Canva and Brand Positioning workshop at the American Legion. More details to come.

Planning also continues for the annual Street Fair scheduled for Saturday, June 13.

In Memoriam

Lastly, I would like to extend my sincere condolences to the family and loved ones of our former Deputy Mayor, Kelli Kelm.

While I did not have the opportunity to serve alongside Kelli as a Trustee, as a resident of the village I always admired her strength and courage in her approach to life and its challenges, as well as her undeniable dedication and love for Greenwood Lake.

When I was elected last year, Kelli took the time to send me a thoughtful and encouraging private message. Even as she was facing her own health battle, she graciously offered her guidance and support should I ever need it. That gesture spoke volumes about her character.

The Senior Center was a cause that was especially dear to her heart, and I recognize that there are very large shoes to fill given all that she fought for and accomplished on behalf of our seniors.

Rest in peace, Kelli. We will continue to work hard to make you proud.

Trustee Veth:

I would like to express my heart-felt condolences to the family and friends of Kelli Kelm; may they find comfort during this tough time. I would like to thank her for her confidence and encouragement when I was appointed to this board. She was the biggest advocate for this village and its people; she truly will be missed.

Organizations

The American Legion

Friend in need tricky tray Sun Feb 15th 1pm at GWL American Legion Post. \$20 donation. Tricky Tray, 50/50, Music, Buffet, anyone interested in making donation Call Peggy 845-494-3592

Elks

Karaoke Night Feb 20th 7pm anyone interested in membership or singing a tune or 2 come to the Lodge located on Elks Drive.

Hosting a charity blind draw cornhole tournament Sunday March 29th at 11am

GWL Little League

Trustee Sellier:

Building Department- January 2026

Fees Collected: \$5,281

- 57% of the fees are attributed to Building Permits and Annual Inspections
 - \$ 1,306 – Building Permit
 - \$ 1700 – Annual Fire & Rental Inspections

New Permit Activity: +90% (building construction costs from previous month)

- 11 new permits opened
- Building activity cost of construction (improvements and new construction): ~ \$230K

Building Permits closed out: 8

- Certificates of Compliance: 5
- Certificate of Occupancy: 3

Complaints: 33

- Rental Inspection: 5
- Septic: 12
- Snow Removal: 15
- Unsafe Building: 1

Village Code Violations: 32

- 116-6 Rental inspection: 5
- 40-1 Unsafe Building: 1
- 85-15 Proof of Septic Service: 12
- Chapter 91 Snow Removal: 14

ZBA/Planning

- The Planning/ZBA board met once in the month of January on the 27th.
 - 47 Edgemere Ave- seeking site plan approval to work within the designated protection area
 - Applicant will return before Board for an area variance.
- First meeting in February the 10th was canceled due to no applicants on the agenda and the second scheduled for 24th will also be cancelled for same reason.
- March meetings are tentatively scheduled for March 10th and 24th.

Comprehensive Plan Committee

- Comprehensive Plan Committee upcoming meetings: February 23 (Elks Lodge) and March 23 (Village Hall)
 - NPV has completed the Public Workshop Summary (17 pages) and the Public Survey Summary and added these to the committee's collateral folder
 - Topics captured in the Public Workshop Summary:
 - A Vision for the Future

- Strengths and Opportunities
 - Village Priorities
 - Places and Connections
 - Village Enhancements
- Areas of focus sub committees will be using the survey data and public workshop to incorporate into the visioning process for the Comp plan
 - DoCom (Downtown Cohesiveness, Design, Marketing)
 - C-Ped (Economic Development & Community Partnerships)
 - TREF (Transportation, Pedestrian Safety, Recreation, Family & Housing)
 - Environmental Sustainability

Next Steps:

- Comprehensive Plan Committee will meet over the next few months to continue to develop build out the vision, goals and objectives that will become part of the draft Comprehensive Plan Update

Attorney Report –Brian Nugent: no report.

Clerk’s Report- (Katheleen Holder):

Village Clerk Katheleen Holder reported that the annual garbage schedule has been posted on the village’s Facebook page, website, and Instagram to inform residents of holiday adjustments. The schedule is subject to change in the event of weather-related issues.

February 13th is the deadline to pay water bills; any unpaid balances after that date will be re-levied onto village taxes.

February 11th was the final day to submit election petitions. Two candidates, John Trazino and Chad Sellier, have filed to run for the positions they currently hold. The village election will take place on March 18th at the Senior Center from 12:00 p.m. to 9:00 p.m.

OLD BUSINESS

Transportation Safety Action Plan: The Mayor provided an update on the Town-wide Transportation Safety Action Plan, which includes participation from all three villages and the Town. A recent workshop was held in Tuxedo, though attendance was limited due to weather conditions.

Project representatives plan to hold individual presentations in each village to address issues specific to each community. A village presentation is tentatively scheduled for either February 28 or March 7 at the Senior Center. The session will include a presentation and opportunity for questions. Residents may also attend sessions held in other municipalities if needed.

The study will be comprehensive and conducted over an extended period, focusing on traffic safety concerns such as accidents, injuries, fatalities, roadway conditions, pedestrian safety, and potential changes to traffic control devices. The mayor encouraged residents to share observations and recommendations, noting that community input is critical to identifying safety concerns. Suggestions will be documented and forwarded to the Transportation Safety Action Plan committee for consideration.

Lead Water Survey: The mayor reported that New York State is mandating a Lead Water Service Line Survey to ensure there are no lead pipes delivering water into homes. Residents are required to inspect the area where their water meter and main service line enter the home—typically in a basement or crawl space—and submit the requested information.

Step-by-step instructions and a QR code are available on the village website. Residents are encouraged to take a photo of their water meter and service line connection as part of the process.

For those who are not comfortable with the online process, assistance is available at Village Hall. The mayor emphasized that the survey is a state requirement, and the village will work to make the process as simple as possible for residents.

Building Department Mailer: The mayor reported that the Building Department has distributed a mailer regarding rental properties within the village. The purpose of the survey is to identify existing rentals to ensure compliance with required fire safety inspections and other safety regulations.

The mayor emphasized the importance of confirming that rental units meet safety standards, including proper smoke

detectors and other protective measures, to ensure tenant safety.

Residents are asked to complete the brief survey and return it by mail, in person, or electronically. The information will assist the village in maintaining accurate records and promoting safe rental housing conditions.

NEW BUSINESS

DMV Closure: The mayor announced that the Department of Motor Vehicles (DMV) will be closed through the holiday weekend and will reopen on Tuesday. The closure is due to a scheduled software update. Residents planning to visit the DMV were advised not to do so until it reopens next week.

Kindergarten and Pre K Registration: Registration for kindergarten and pre-K in the Greenwood Lake School District is now open. Residents are encouraged to contact the Board of Education or the elementary school directly for specific registration procedures and requirements. Families are reminded to begin the process early to ensure they stay ahead of deadlines.

Hydrant Snow Removal: The DPW and Parks Department continue to clear snow from fire hydrants following snowfalls. However, some hydrants may be hidden under large snow mounds and unintentionally missed. Residents are asked to clear hydrants located on or near their property when possible and to notify Village Hall if they see a hydrant—especially across the street—that remains covered. Ensuring hydrants are accessible is critical so the Fire Department can access water quickly in an emergency.

Hiring of Lifeguards: The village is preparing for the upcoming summer season and will soon begin recruiting lifeguards. Individuals ages 15 and older who are interested in becoming a lifeguard are encouraged to contact the village. Inquiries will be directed to the appropriate manager for coordination and next steps once the official notice is released.

Beach Passes: The village anticipates beginning beach pass sales at the end of the month. Residents are encouraged to purchase passes early, as rates will increase mid-May. Beach pass prices will remain the same as last year, with no increase in cost. Additional details regarding sales and deadlines will be announced shortly.

Parking in Front of Post Office in Fire Zone: The area in front of the Post Office and CVS is clearly marked with yellow pavement markings and signage designating it as a fire zone. New signage will also be installed. Vehicles are not permitted to park or wait in this area. The Police Department has been issuing warnings to violators. While there are designated handicapped parking spaces nearby, the fire zone must remain clear at all times to ensure the Fire Department has immediate and unobstructed access to the buildings in the event of an emergency. Residents are reminded to use appropriate parking spaces and keep the fire zone clear.

Food Pantry Cold Weather Items: The Greenwood Lake Food Pantry is currently in need of cold-weather items. Residents who are able to assist are encouraged to consider making a donation to support those in need. The Food Pantry is open on Saturday mornings from 9:00 a.m. to 12:00 p.m. at Holy Rosary Church, and community members may stop by during those hours to learn more about specific needs and how they can help.

July 4th Celebration – 250th Anniversary: This year's July 4th celebration marks the 250th anniversary of the United States and is expected to be especially memorable. The village will host its annual parade and fireworks display, with this year's fireworks show planned to be more elaborate in recognition of the milestone anniversary. The Town of Warwick is contributing toward the overall cost of the event. Interest in the parade has also increased, with several organizations inquiring about participating with floats. Overall, the day is anticipated to be an enhanced and well-attended community celebration.

Solicitation and Peddlers – Proposed Amendments and Moratorium: The Board discussed concerns raised by residents regarding door-to-door solicitation by commercial vendors. In response to numerous complaints, the village is proposing amendments to its local laws and code to establish a “no-knock” registry, allowing homeowners to opt out of door-to-door solicitation. A public hearing will be scheduled at the next meeting to review the proposed structure of the amendment and receive public comment. In the interim, the board intends to adopt a resolution establishing a three-month moratorium on the issuance of peddler and solicitation permits. This temporary pause will allow time for due diligence, drafting appropriate language, and completing the legislative process. A final vote on the proposed amendments is anticipated in April or May, pending further review and public input.

EVENTS:

- Teen Center scheduled for Tuesday nights, located at the Community Center, 51 Waterstone Road between the hours of 4-6 PM for 2-5th grades, 6-8 PM for 6-8th grade

- Zoning Board Meeting tentative dates for February and March are February 24th, March 10th and March 24th, located at Village Hall, 18 Church Street starting at 7:30 PM.
- The Greenwood Lake Historical Society will be hosting its presentation on the History of Windermere Avenue on Sunday, February 15th at 1:00 PM at the Greenwood Lake Public Library.
- Greenwood Lake Commission Meeting, February 17th, 7PM located at the Senior Center at 132 Windermere Avenue
- Workshop on Lake Weeds and Geese control, Saturday, February 21st, 10 AM located at the Senior Center at 132 Windermere Avenue
